DEPARTMENT of VISUALIZATION JOB POSTING – FALL 2010

The Department of Visualization at Texas A&M University invites applications for three part-time non-tenure-track positions. Each has a term of appointment for the Fall 2010 semester (August to December).

1. **Art History.** Responsibilities include teaching two sections of the ARTS 150 - Art History Survey II (14th century to the end of the 19th century). This is a large lecture course that serves undergraduate majors in the Bachelor of Science in Visualization program, the minor in Art and Architectural History, and the university core curriculum. Class meeting times are mid morning and early afternoons on Mondays, Wednesdays, and Fridays. Requirements: the successful candidate will hold the Ph.D. in Art History, although ABDs are strongly encouraged to apply. Teaching experience required.

2. **Digital Photography.** Responsibilities include teaching one section of ARTS 310 – Digital Photography. This course focuses on creation, manipulation, and critique of the digital image. This class serves the university's undergraduate student body as a core curriculum elective. Class meeting times are Monday and Wednesday evenings. Requirements: the successful candidate will hold a masters degree in an appropriate field and/or have equivalent professional experience.

3. **Computing for Visualization.** Responsibilities include teaching one section of VIST 270 – Computing for Visualization I. This course focuses on the development, principles, and concepts of graphics programming, data organization, and interface organization with an emphasis on 2D graphics. This class serves undergraduate majors in the Bachelor of Science in Visualization program. Class meeting times are midday on Tuesdays and Thursdays. Requirements: the successful candidate will hold a masters degree in an appropriate field and/or have equivalent professional experience.

Application procedures: Applicants are invited to send a letter of application, curriculum vitae, and the names and contact information of three references to: Chair, Lecturer Search Committee, Department of Visualization, Texas A&M University, MS 3137, College Station, TX 77843-3137.

Deadline for application: July 15, 2010, or until filled.

Texas A&M University is an equal opportunity / affirmative action employer. The University is dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a multicultural environment and strongly encourages applications from women, minorities, individuals with disabilities and veterans.
